Profile Summary:

Front-end designer with 2 years of experience in UI design and development, currently upskilling in full-stack development. Skilled in JavaScript, Angular, React, Node.js, and MongoDB, with a focus on building responsive web applications and solving problems through strong debugging skills.

Core Technical Skills

Front-End Languages: HTML, CSS, JavaScript (ES6+)

Back-End Languages: NodeJS + ExpressJs

Frameworks: React, Bootstrap, Angular

Databases: MongoDB, MySQL

Designing Tools: Adobe Creative Suite, Figma, Canva

Experience:

Chenoa (Acquired by 3Pillar Global)

Frontend Web Designer

October 2022 - May 2025 | Remote

- Designed responsive user interfaces and mock-ups using Figma, Bootstrap, and Tailwind CSS, maintaining consistent visual design across web and mobile devices
- Applied UI/UX fundamentals including user research, wireframing, accessibility standards, and design systems to improve usability and user satisfaction
- Built reusable React components and worked with API integrations to deliver smooth, high-performance front-end experiences.
- Collaborated in Agile environments, participated in UI reviews, and incorporated user and feedback to iteratively enhance interface quality

Skillset: Web design, Figma, Mendix, Unqork

Full Stack Development Projects

Minute-Meal - ReactJs

- Built **Minute-Meal**, a React.js-based food ordering application with a responsive and user-friendly interface
- Developed reusable **React components** to display meal listings, details, and cart functionality
- Implemented responsive layouts using **Bootstrap/Tailwind CSS** to ensure consistent experience across devices
- Focused on clean UI, smooth interactions, and maintainable code structure to improve overall user experience

Skillset : React, Redux, JavaScript (ES6), HTML5, CSS3, Bootstrap

Personal Portfolio

- Designed and developed a **personal portfolio website** to showcase projects, skills, and professional experience
- Built a **responsive layout** to ensure smooth performance across desktop, tablet, and mobile devices
- Regularly updated the portfolio with new projects and learnings to reflect continuous growth

Skillset : JavaScript (ES6), HTML5, CSS3, Bootstrap
